2. PAYMENTS

You will only be required to submit the $300.00 Advance Payment when accepting the online Summer Transition Housing contract offer. The Advance Payment is the minimum confirming payment required on a contract. The balance of your housing contract charges will be billed to your CalCentral. It is your responsibility to ensure that payments are received on time or you will be subject to late fines and other sanctions. To request a cancellation of your contract, please follow the “Cancellation of Summer Transition Housing Contract” policy outlined in Section 5 of these “Terms and Conditions of Residence”.

If you are a full-time UC Berkeley student receiving Summer Financial Aid you will only be required to submit the $300.00 Advance Payment along with your accepted online Summer Transition Housing contract offer. Any additional miscellaneous charges, which include damage charges and key replacement charges, that may accrue on your account during the Summer are payable on or before August 15, 2021. For incoming or continuing UC Berkeley students, these charges will appear on the CalCentral billing statement. It is your responsibility to pay any charges that you incur. The same deadlines, service charges, and penalties apply to delinquent accounts as detailed above.

If your account becomes delinquent, it may be referred for collection with the assessment of collections costs, late fees and any additional legal costs incurred in collecting the outstanding balance. Notwithstanding any referral to a collection agency, the University retains the right to serve any resident with a Three-Day Notice to Perform Covenant or Quit. In the event that you do not pay the required room and board fees by the established deadline, your contract may be cancelled.

Should your account become delinquent, action will be taken to lapse your status, block registration, withhold the issuance of transcripts, and/or withhold meal service. If meal service is withheld, you will not receive a refund for missed meals due to sanctions. To prevent such sanctions, you should contact the Cal Student Central at 510.664.9181 prior to the payment deadline. According to Federal policy, residents withdrawing from the University who are entitled to a housing refund may have a portion of the refund deducted from their refund check if they received any Federal Financial Assistance. The funds deducted from the refund will be returned to the granting agency.

Late payment penalties are assessed at the rate of $25 monthly on accounts with a delinquent balance of $50 or greater. Late fees will continue to be assessed every 30 days and are due the day after they have been assessed. No more than one late fee will be assessed in a 30 day period. Once a student account becomes past due and late fees are assessed you must pay past due charges and late fees to bring the account current.

This fee is managed by Residential Education on behalf of the residents to support the development and execution of activities, programs and events within the residential community. Within the allocation for Hall Association, funds are also designated to cover the repair of damages in the common areas caused by residents or residents’ guests. Damage charges in excess of the designated amount shall also be billed to the hall association where individual liability cannot be established.

The University reserves the right to change the fees for housing, provided the announcement is made 30 days prior to the start of the summer. An increase in fees may not exceed 5 percent of the fees quoted for residence halls for the Summer 2021.

4. LIQUIDATED DAMAGES

A Contract Cancellation Fee shall not be imposed if a resident has been denied admission to the University. The University will work with building contractors to make every effort to minimize construction inconveniences. By agreeing to this contract, the Resident acknowledges notice of the possibility of scheduled construction and access limitations, and acknowledges that there will be disturbances, disruptions, and inconveniences resulting from such constructions and has agreed to such. Depending on an offender’s criminal history, this information will include either the address at which the offender resides or the community of residence and ZIP code in which the offender resides.

T. NOTICE: Regarding Civil Code Related to Rights and Obligations Pertaining to Bed Bugs: Pursuant to Section 1954.603 of the Civil Code, notification regarding rights and obligations pertaining to bed bugs must be provided to the Resident. Resident agrees to comply and cooperate with the University regarding the prevention, reporting, and treatment of bed bug infestation.

(a) Appearance: Bed bugs have six legs. Adult bed bugs have flat bodies about ⅛ of the inch in length. Their color can vary from red to brown to copper colored. Young bed bugs are very small. Their bodies are about 1/16 of an inch in length. They have almost no color. When a bed bug feeds, its body swells, may lengthen, and become bright red, sometimes making it appear to be a different insect. Bed bugs do not fly. They can either crawl or be carried from place to place on objects, people, or animals. Bed bugs can be hard to find and identify because they are tiny and try to stay hidden.

(b) Life Cycle and Reproduction: An average bed bug lives for about 10 months. Female bed bugs lay one to five eggs per day. Bed bugs grow to full adulthood in about 21 days. Bed bugs can survive for months without feeding.
(c) Bed Bug Bites: Because bed bugs usually feed at night, most people are bitten in their sleep and do not realize they were bitten. A person’s reaction to insect bites is an immune response and so varies from person to person. Sometimes, the red welts caused by the bites will not be noticed until many days after a person was bitten, if at all.

(d) Common Signs and Symptoms of Possible Bed Bug Infestation: Small red to reddish brown fecal spots on mattresses, box springs, bed frames, linens, upholstery, or walls; Molten bed bug skins, white sticky eggs, or empty eggshells; Very heavily infested areas may have a characteristically sweet odor; Red, itchy bite marks, especially on the legs, arms, and other body parts exposed while sleeping, though some people do not show bed bug lesions on their bodies though bed bugs may have fed on them.

(e) Information regarding Cal Housing’s protocol addressing bed bugs prevention, response, and treatment may be found at http://www.housing.berkeley.edu/bedbugs. Additional information may be found on the websites of the United States Environmental Protection Agency (www.epa.gov) and the National Pest Management Association (www.npmapestworld.org)
