### 3. FEES

**The residence hall rates include a \$50 nonrefundable Programming fee.** This fee is managed by Residential Education on behalf of the residents to support the development and execution of activities, programs and events within the residential community. A portion of each fee is allocated to the Residence Hall Assembly and Hall Associations. Within the allocation

for Hall Association, funds are also designated to cover the repair of damages in the common areas caused by residents or residents' guests. Damage charges in excess of the designated amount shall also be billed to the hall association where individual liability cannot be established.

**The University reserves the right to change the fees for room and board,** provided the announcement is made 30 days prior to the start of the summer. An increase in fees may not exceed 5 percent of the fees quoted for residence halls for the Summer 2022.

### 4. LIQUIDATED DAMAGES

Liquidated damages are imposed under certain conditions as set forth elsewhere in these "Terms and Conditions of Residence". The resident agrees that the noted liquidated damages are reasonable and are presumed to be the amount of damage sustained by the University because it is impracticable or extremely difficult to fix the actual damage.

### 5. CANCELLATION OF SUMMER CONTRACT

All requests for Cancellation of a Summer Sessions Housing contract must be submitted in writing via Summer Cancellation Form to the Summer Sessions email ([summerhousing@berkeley.edu](mailto:summerhousing@berkeley.edu)), fax (510-642-4026), or letter (Summer Sessions Housing Office, 2610 Channing Way, Berkeley, CA 94720-2288).

**THE RESIDENT REQUESTING CONTRACT CANCELLATION SHALL CONTINUE TO BE LIABLE FOR ROOM AND BOARD FEES UNTIL A REPLACEMENT IS FOUND AND/OR THE REQUEST IS APPROVED BY THE SUMMER SESSIONS HOUSING OFFICE THROUGH A SUMMER APPEAL. THE SUMMER SESSIONS HOUSING OFFICE HAS A PRIMARY RESPONSIBILITY TO FILL ALL UNSOLD SPACES WITH WAITLISTED APPLICANTS, BEFORE APPROVING CANCELLATION REQUESTS, BY ACCEPTING REPLACEMENTS OFF OF THE WAITING LIST.**

In the event of contract cancellation approval, the effective cancellation date will be the date of the University approval. Once a replacement is found and/or the request for cancellation is approved, a Contract Cancellation Fee will be imposed as liquidated damages. A \$300.00 Contract Cancellation Fee will be imposed for cancellation approved before occupancy and \$300.00 Contract Cancellation Fee after occupancy. Occupancy is established when the student signs for and/or takes possession of the room key. The resident agrees that this fee is reasonable and is to cover estimated University

damages, which are difficult or impracticable to determine. This liquidated damages charge shall be in addition to the prorated room and board fees for which the resident will remain liable until a replacement is found and/or the request for cancellation is approved. A Contract Cancellation Fee shall not be imposed if a resident has been denied admission to the University. Appropriate documentation must be submitted to the Summer Sessions Housing Office in the case of non-admission. The Cancellation Fee imposed on the cancelled contract cannot be applied to a new Summer Sessions Housing contract.

#### A. Contract Cancellation - By the Student

All reasons for requesting cancellation of the Summer Sessions Housing contract will be reviewed on an individual basis and you are responsible for room and board fees until a replacement is found, and/or the request is approved. Requests for cancellation will not be considered until the cancellation is requested in writing and you have submitted the appropriate supporting documents.

#### B. Contract Cancellation - By the University

The University may cancel the Summer Sessions Housing contract and all attendant rights of occupancy upon 30 days notice to the resident. In addition, the University may terminate this Contract with less than 30 days notice if the University reasonably determines (i) that cancellation is necessary for operation of its housing program, including but not limited to the need to take preventative or mitigatory action regarding the spread of infectious disease or (ii) that cancellation is necessary for compliance with an order of a public health authority.

You may be subject to a Three-Day Notice to Perform Covenant or Quit or a Three-Day Notice to Quit for any reason allowed by law, including the following:

**1. If you violate the terms of the Summer Sessions Housing contract**, these "Terms and Conditions of Residence", provisions of the "Residential Code of Conduct", incorporated herein by reference (the complete code of conduct can be viewed online at: <http://reslife.berkeley.edu/conduct/residential-code-conduct>), or are found responsible of misconduct.

Conduct requires compliance with measures to reduce the risk of transmission of COVID-19 (e.g., required testing, face coverings, etc.), and is subject to change from time to time. Residents must review the Residential Code of Conduct regularly.

In the event of exclusion from the University housing due to disciplinary action, Residential Conduct typically communicates the deadline for when the resident must vacate. In the case where a Resident is excluded from the housing and a deadline is not communicated, the excluded Resident will need to vacate the assigned room within five days of receiving notification of exclusion from or ineligibility for University housing, or be subject to the Three-Day Notice to Quit Process.

**2. Conduct.** The University shall have the right to cancel this Contract and require that the Resident vacate the premises and all University Housing facilities if the University determines that the Resident's conduct is not suitable or appropriate for University Housing. Without limiting the foregoing, the University may exercise its cancellation rights hereunder if: (i) the conduct or living habits of the Resident or any Permitted Occupants have caused other occupants of the premises or the Building to vacate or request reassignment to other University Housing; (ii) if the University has received complaints from other occupants of the premises or the Building attributable to the Resident or Permitted Occupants; or (iii) if the continued occupancy of the premises by the Resident creates, in the University's sole and absolute discretion, a clear and present danger to other occupants of the premises or the Building, or employees working in or around the Building, in which event, upon the request of the University, the Resident shall vacate the premises entirely on a "same day" basis. Such decisions shall be at the discretion of the Vice Chancellor - Student Affairs, Chief Operating Officer- Residential Student Service Programs, Director - Residential Life, or Director - Cal Housing. Additionally, the University reserves the right to refer any instances of misconduct or disruptive behavior, including online activity involving electronic mail or social media, attributable to the Resident to the University's judicial procedures for further action.

In the event of contract cancellation by the University, the resident shall continue to be liable for contracted room and board fees until a replacement is found and/or the request is approved by the Summer Sessions Housing Office in writing.

If an eligible replacement is not found, the resident is financially responsible for the entire balance of the contract.

#### C. Contract Cancellation - No Occupancy

If you do not move in within one week of your contract occupancy date for Summer Sessions, without previously obtaining approval in writing from the Summer Sessions Housing Office of your intent to move in late, **you will be liable for payment of room and board fees until a replacement is**

**found**, at which time your contract will be cancelled and a \$300.00 Contract Cancellation Fee will be imposed.

**D. Failure to Move**

If you do not vacate the residence halls by the designated date and time of move-out, you will be liable for \$100.00 per day liquidated damages in addition to a prorated room and board fee until you actually move out. There can be no flexibility on the move-out time because rooms must be prepared for occupancy by students in the following session/semester. Please plan your travel arrangements accordingly.

**6. CAL DINING**

The Premium Meal Plan upgrade cost is non-refundable. **UNUSED PREMIUM MEAL POINTS CANNOT BE REFUNDED, CANCELLED OR TRANSFERRED TO ANOTHER SESSION/SEMESTER.**

As students’ meal plan usage varies depending on eating habits and lifestyle, this option will offer you more flexibility, based on your individual dining needs. **T. NOTICE: Regarding Civil Code Related to Rights and Obligations Pertaining to Bed Bugs:** Pursuant to Section 1954.603 of the Civil Code, notification regarding rights and obligations pertaining to bed bugs must be provided to the Resident. Resident agrees to comply and cooperate with the University regarding the prevention, reporting, and treatment of bed bug infestation.

(a) Appearance: Bed bugs have six legs. Adult bed bugs have flat bodies about ¼ of the inch in length. Their color can vary from red to brown to copper colored. Young bed bugs are very small. Their bodies are about 1/16 of an inch in length. They have almost no color. When a bed bug feeds, its body swells, may lengthen, and become bright red, sometimes making it appear to be a different insect. Bed bugs do not fly. They can either crawl or be carried from place to place on objects, people, or animals. Bed bugs can be hard to find and identify because they are tiny and try to stay hidden.

(b) Life Cycle and Reproduction: An average bed bug lives for about 10 months. Female bed bugs lay one to five eggs per day. Bed bugs grow to full adulthood in about 21 days. Bed bugs can survive for months without feeding.

(c) Bed Bug Bites: Because bed bugs usually feed at night, most people are bitten in their sleep and do not realize they were bitten. A person's reaction to insect bites is an immune response and so varies from person to person. Sometimes, the red welts caused by the bites will not be noticed until many days after a person was bitten, if at all.

(d) Common Signs and Symptoms of Possible Bed Bug Infestation: Small red to reddish brown fecal spots on mattresses, box springs, bed frames, linens, upholstery, or walls; Molted bed bug skins, white sticky eggs, or empty eggshells; Very heavily infested areas may have a characteristically sweet odor; Red, itchy bite marks, especially on the legs, arms, and other body parts exposed while sleeping, though some people do not show bed bug lesions on their bodies though bed bugs may have fed on them.

(e) Information regarding Cal Housing's protocol addressing bed bugs prevention, response, and treatment may be found at <http://www.housing.berkeley.edu/bedbugs>. Additional information may be found on the websites of the United States Environment Protection Agency ([www.epa.gov](http://www.epa.gov)) and the National Pest Management Association ([www.npmapestworld.org](http://www.npmapestworld.org))

**U. SEVERABILITY.** If any provisions of this Contract or the application thereof shall, for any reason and to any extent, be invalid or unenforceable, the remainder of this Contract shall be enforced to the maximum extent permitted by law.
